

# Do electricity blackouts affect you?

Energy demand is growing faster than supply...

Egypt's final energy consumption  
increased by more than

**70%**

in the last decade and is expected  
to double in the next ten years

Industry is **the biggest**  
end-use energy consumer

Energy intensive  
industries can save up to

**50%**

of their consumption by adopting  
energy efficiency measures!!
